

# 创建日历

这一步跟以往没什么不同

The screenshot shows a Microsoft Teams meeting interface. In the top right corner, there is a navigation bar with icons for Chat, People, Raise, React, View, Controls, Notes, More, Camera, Mic, Share, and Leave. A red arrow points from the 'Notes' icon to the 'Apps' icon. Below the navigation bar is a sidebar titled 'Apps' with a search bar containing 'TransMeet'. A second red arrow points from the search bar to the 'Add' button for the TransMeet app, which is listed as 'Real-time meeting translation inside Microsoft Teams. Built for your org'. Other apps listed include 'Translit RSI'.
